

Tutor-guided training

Collaboration and reflection are key to effective learning. Under the guidance of an experienced Cambridge tutor, teachers work together to develop their understanding and share ideas and experiences. Our tutor-guided courses are offered at Introductory, Extension and Enrichment levels.

Teachers should expect to spend 3 - 5 hours a week on their course.

Online Introductory Training

Introductory Training is for teachers who are new to Cambridge programmes and qualifications. It introduces teachers to Cambridge programmes, syllabuses and curriculum frameworks and enables them to teach our syllabuses with greater confidence. We strongly recommend this training to teachers who are new to Cambridge International or new to a specific qualification.
