“ Committed towards establishing equity in both education & employment distinction. ”

[The Malaysian Maritime Academy \(ALAM\)](#), established in 1977, is a part of the MISC Group of Companies and is one of the leading MET institutions in the region.

ALAM is located on a 48-acre site in picturesque surroundings over-looking the Strait of Malacca and is actively involved in the development of maritime professionals of high calibre and quality for the maritime industry in Malaysia and the region.

ALAM works in close collaboration with both local and international maritime-related organisations and institutions, and is a member of GlobalMET
