Based on THREE ideas

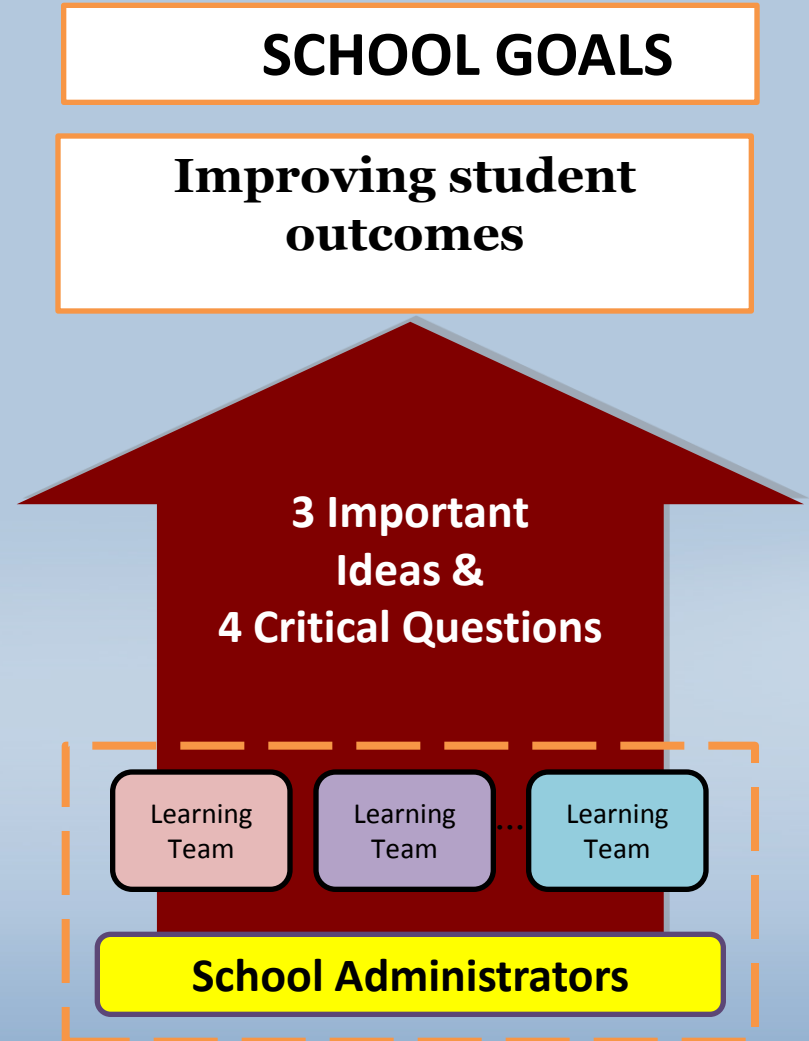

Focusing on **FOUR** questions

1. What do we want our students to learn? **(Focus)**
2. How will we know they are learning? **(Inquiry)**
3. How will we respond when they don't learn? **(Innovation)**
4. How will we respond when they learn? **(Impact)**

Working towards achieving the aspirations and goals of Sekolah Menengah Universal Hua Xia

- By organizing the teachers into **Learning Teams** to improve instructional practice in order to achieve *common goals* linked to the purpose of learning for all.
- Collaborating with a core school administrators to monitor the progress of the school.

- **My Passion**: desire to help others to succeed with my 38 years of teaching in primary, secondary schools as well as in the Pre-U colleges in Malaysia.
- I am most willing to share skills, knowledge and expertise with other teachers
- Building a strong, trusting relationship between the teachers and mentor is the key to success
